

## **WORKER'S COMPENSATION**

Worker's Compensation claims should be filed directly with Scott & White Health Plan. These claims should be filed according to the clean claims requirements documented in the claims submission guidelines section.

Scott & White Health Plan has the right to be reimbursed for expenses paid for care rendered should a member incur a work related injury. Scott & White Health Plan has retained the services of the 4600 Texas Healthcare Group to act as the Health Plan's representative regarding rights of Worker's Compensation recoveries.
