Introduction

This booklet provides a list of Scott & White Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Scott & White Health Plan's formulary. If you have additional questions, please call our Customer Service at 866-334-3141, Monday – Sunday, 8:00 AM – 8:00 PM CST. TTY/TDD Users should call 800-735-2989. Or, visit www.swhp.org.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Scott & White Health Plan. In most cases, your prescriptions are covered under Scott & White Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Scott & White Health Plan's Network Pharmacies

The pharmacy listing is organized by type of pharmacy (retail pharmacy, mail order pharmacy, home infusion pharmacy and long-term care pharmacy). To locate a pharmacy, first identify the type of pharmacy you need. Then, locate the city closest to you. The pharmacies are listed alphabetically under each city.
