

Scott & White Health Plan Gives Away 3rd \$4000 Travel Voucher

When Vicki Martin got a message to call Scott & White Health Plan, she never dreamed she had won a \$4000 travel voucher.

“I was so excited when I found out,” Vickie said. “I kept sending text messages to my husband, Ronald, to call me.” Ronald, a busy RN at Scott & White’s Day Surgery clinic, was finally able to call her and learn the good news.

“This couldn’t have come at a better time,” Vicki said. “We were planning to skip our family vacation this year to save money because we are buying a home.”

The travel voucher can be used anywhere giving the Martin family the option of taking one vacation or several small vacations. Vicki and Ronald plan to take their two children, Austin, 13, and Lexie, 8, to Disney World this August. Although Austin said he might also like to go to France or Hawaii, he and Lexie are more than happy to visit Disney World.

Vicki won this travel voucher by taking the Succeed[®] program in 2007 as part of living a healthy lifestyle. All Scott & White Health Plan members who took the Succeed[®] program in 2007 were eligible to win the travel voucher. The next \$4000 prize will be given away in 2009 to one lucky member who takes the Succeed[®] program in 2008.
