TYPE OF COVERAGE DETERMINATION REQUEST

I need a drug that is not on the plan's list of covered drugs (formulary exception).*

I request an exception to the requirement that I try another drug before I get the drug my doctor prescribed (formulary exception).*

I request prior authorization for the drug my doctor has prescribed.

I request an exception to the plan's limit on the number of pills (quantity limit) I can receive so that I can get the number of pills my doctor prescribed (formulary exception).*

***NOTE: If you are asking for a formulary or tiering exception, your PRESCRIBING PHYSICIAN must provide a statement to support your request.**

Additional Information we should consider (attach any supporting documents):

If you, or your prescribing physician, believe that waiting for a standard decision (which will be provided within 72 hours) could seriously harm your life or health or ability to regain maximum function, you can ask for an expedited (fast) decision. If your prescribing physician asks for a faster decision for you, or supports you in asking for one by stating (in writing or in a telephone call to us) that he or she agrees that waiting 72 hours could seriously harm your life or health or ability to regain maximum function, we will give you a decision within 24 hours. If you do not obtain your physician's support, we will decide if your health condition requires a fast decision.

I need an expedited coverage determination (attach physician's supporting statement, if applicable)
