

SCOTT AND WHITE HEALTH PLAN FORMULARY

NOVEMBER 2008

Each \$ is a Relative Cost to Agents in Each Category A = A Tier Generic B = B Tier Preferred Brand C = C Tier Nonpreferred

DRUG = Brand Drug drug = Generic Drug P = Prior Authorization M = Maintenance Benefit S = Step Therapy Required

drug* = Brand name listed for reference only, a generic equivalent is available

I = Injectable/Specialty copay may apply

Brand Name products where generic is available will be covered at the non-formulary copayment

+ = Preferred Test Strip
