The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 800-321-7947 or visit us at swhp.org/plandocs. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 800-321-7947 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$0 per member / $0 per family	See the Common Medical Events chart below for your cost for services this plan covers.
Are there services covered before you meet your deductible?	No.	This plan does not have a deductible.
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	$3,000 per member / $6,000 per family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See swhp.org or call 800-321-7947 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
